Larry Searer asked about bids for the concession stand. Mr. Welham stated that there were no bids and that he has a meeting with Mr. Wilt to discuss other cooling alternatives for the vending area.

The ticket ordinance was asked about and Mr. Welham reported that it wasn't acted on during the last meeting so it was added to this meeting.

***On a motion by Mr. Felmlie and seconded by Mr. Moore, Council by unanimous vote approved the Consent Agenda.***

## REGULAR AGENDA

### REPORTS

#### A. Treasurer

1. Ms. Walter asked for a motion to award Hawbaker the bid.

***On a motion by Mr. Moore and seconded by Mr. Felmlie, Council by unanimous vote approved Hawbaker the award for the MEG Bids.***

2. Ms. Walter stated that the Borough received a letter from the Mifflin County Commissioners on State Liquid Fuels for county aid of \$7,155.72.
3. Ms. Walter reported that she submitted the Auditor General 385 report that was due March 31, 2017 and it allows the Borough to receive the state aid allocations for the pension plans. It will be known in October what that dollar amount is.
4. Ms. Walter stated she submitted the public utility real estate tax information for the year 2016 and the Borough will receive the allocation in Sept.
5. Ms. Walter stated that she received a letter from the PA Department of Military and Veterans Affairs for Susan J. Varner at 29 Chestnut Street extended. They have determined that the applicant was disabled by her service during war and they recommend that she be exempt for all her real estate taxes at \$426.64.

***On a motion by Larry Searer and seconded by Mr. Moore, Council by unanimous vote approved the tax exemption for Susan J Varner at 29 Chestnut Street Extended.***

#### B. Code Enforcement Officer Treasurer

1. Mr. Fink reported there were 86 Violations in March. He stated that the two big ones were 38 noncompliance of property maintenance with flaking paint and unlicensed vehicles, and 33 noncompliance of prohibited accumulation of refuse and solid waste. Mr. Fink stated that the Codes Department issued 29 permits for \$1,483.37. He said last year they had

\$11, 433.88 but that was because of CVS with the big project fees.

Mr. (Dave) Campbell asked if there was any progress made with the Housing Authority putting trash out early and some discussion ensued.

### **C. Fire Chief**

1. Chief Barlett reported that for the month of March the fire department had 14 alarms plus medical assists. He wanted to say thank you to Brooklyn Fire House for last week when they ran a medical assistant and he attributed the person being alive to the early response of CPR from the Brooklyn.
2. Chief Barlett reported that they had a house fire at 803 West Fourth Street. The fire department was coming back from another call and was there in 2 minutes. Everyone got out safely and the fire was soon under control. They had two firemen with two injuries, one with a rapid heart rate and another with a gash in his head that took 11 stitches. With the suspicion of the fire being electrical they notified Mr. Fink, Codes Enforcement Officer, who came and did an inspection. They had Penelec come in and pull the meter. Now they have a restoration company cleaning up and they are starting to repair the place.

### **D. Mayor**

1. Mayor Bargo had a report of 7 weddings performed for the first quarter of the year.

### **E. Police Chief**

1. Chief Lusk was out of town, but Mayor Bargo passed out his report.
2. Mayor Bargo stated that in the month of March, the Lewistown Police Department issued 66 tickets, 50 traffic citations, 18 non-traffic citations, 14 warnings, and they had 276 calls for service.
3. A question was raised about the truck that was parked backwards on Monument Square in front of the Old Glick Shoe Store. It sits there frequently and isn't in a parking space why is this? Mayor Bargo stated she would have the police look into this.

### **F. Board of Recreation**

1. Mr. (Matt) Webb went over the items for the Board of Recreation. He stated that the First United Methodist is sponsoring the Week of Caring. Last year it was for one day this year will be for a full week. So far they have 14 participants that will be receiving help. 7 of these will be in Lewistown Borough. Mr. Webb stated that the First United Methodist

Church would like the fee to be reduced to \$350. The Rec Board is asking for consideration of the fee reduction.

2. Mr. Webb stated that Helping Hands will be distributing food at the Community Center and would like their fee to be reduced for this time, and that they want to do this monthly. The Rec Board decided it would see how it goes this time. After this month they would look at the report and base their decision on the report.
3. Mr. Webb reported that the pool manager wants to hire 12 life guards.
4. Mr. Webb is looking for permission to have a Facebook page for Lewistown Recreation. He stated that Mary Barr would run the page. It would be used as a platform to advertise the activities.

**On a motion by Mr. Moore and seconded by Mr. Felmlee, Council voted 6-1 (Searer) to approve the fee reduction to \$350 for the First United Methodist at the Community Center on August 6, 2017.**

**On a motion by Mr. Felmlee and seconded by Mr. Moore, Council was asked to vote to approve the fee reduction to \$75 for Helping Hands Angel Food Ministries to distribute food. Some discussion ensued.** Larry Searer felt that if they are going to reduce rates at the community center they should do it for everyone. **Mr. Felmlee asked to amend his motion.**

**On a motion by Mr. Felmlee and seconded by Mr. Moore, Council voted unanimously to not reduce the fee for Angel Food Ministries, but to keep it at \$125 for the first time distribution. Mr. Felmlee volunteered to pay the difference for one month.**

**On a motion by Mr. Rager and seconded by Larry Searer, Council unanimously voted to approve the hiring of twelve life guards.**

**On a motion by Mr. Moore and seconded by Mr. Felmlee, Council unanimously voted to approve a Facebook page for Rec Board provided it is for informational purposes only and allows no comments.**

#### **H. Borough Solicitor**

1. Mr. Remy stated that from the Law and Ordinance committee there were some proposed changes to the Property Rental Ordinance that had been suspended. The Ordinance was reviewed by the Rental Property Association, Mr. Welham, and Mr. Remy to make changes so the ordinance would more be applicable. The new Ordinance requires owners to register each rental property by providing each owner's name and contact info, manager contact information if applicable, property address and maximum occupancy per unit. He went over the proposed changes to inspections which are by the Codes Enforcement Officer upon 5 days' notice along with no fee, and there will be no tenant registration, no license, and no written lease agreement.

Larry Searer wanted to make a motion to repeal the old ordinance. Mr. Felmlee asked if we need to repeal the old ordinance before we adopt this one. Mr. Remy stated that the Borough did not need to repeal the old ordinance; they could just amend it. Mr. Welham stated that the prior ordinance was a good ordinance it was just overkill for a Borough the size of Lewistown that has 8,900 residents. He stated this new ordinance takes the good from the prior ordinance and puts it in to a form where no new people need to be hired and there are no registration fees. He stated that approximately 25% of the boroughs in the state have an ordinance and this version is called the light version. Mr. Welham mentioned that at first there was a decrease in property values in a landlord ordinance based community, but then after the first year or so property values go up. Mr. Felmlee wanted to know why it only addresses rental properties and not property home owners. Mr. Remy said that the property maintenance code and this ordinance go hand in hand and this addresses different issues such as landlord responsibilities and tenant responsibilities. Larry Searer said he didn't understand why we need this ordinance and why we are singling out rental properties. Mr. Remy stated that in 2015 Borough Council found that there was an increase in rental properties and many of these units have been permitted to become deteriorated, unsafe, and unsanitary by the owners. Many of these property owners live outside the area and have made it difficult for the Codes Enforcement Officer to find them to address the problems. This has resulted in problems and concerns for the neighbors that live next to these properties, and it allows more incidents of disruptive conduct. Mr. Berrier stated that many people have worked hard with the Rental Property Owners to make this document work for everyone. The changes in the document haven't been from the Borough side, but the rental property owners and it is something that everyone is comfortable with. Mr. Remy went over what the ordinance covers that no other ordinance addresses such as rubbish, conduct, residential use, conduct under the crimes code, liquor code and disruptive conduct. Mr. Moore wanted to know if many of these other things are covered by the police. Larry Searer reinforced that it is not needed.

**On a motion by Larry Searer and seconded by Mr. Moore, Council voted 5-2 (Rager, Berrier) to repeal and eliminate the original Property Rental Ordinance.**

Mr. Berrier asked if they wanted to take action on the Rental Agreement as a new ordinance.

**On a motion by Mr. Rager to advertise the new ordinance with the support of the Landlords Association, and... the motion died for the lack of a second.**

- Mr. Remy reviewed the ordinance allowing the Codes Enforcement Officer to write violation tickets. This is an intermediate step to allow the Codes Enforcement Office to issue a violation ticket, and then the person has the option to pay the ticket. If the violator chooses to ignore the ticket then it goes to the magisterial stage which is a more expensive form of code enforcement. Mr. Remy stated there are some areas that call out the Rental Ordinance that would have to be revised, but the rest of the document is fine. Mr. Berrier pointed out there were going to be changes and wanted to know if it had to be advertised again. Mr. Remy thought it could be adopted tonight since it only needed the references to the Rental Ordinance removed, and not the integrity of the document.

***On a motion by Mr. Moore and seconded by Larry Searer, Council by unanimous vote approved the adoption of the ordinance allowing the Codes Enforcement Officer to write tickets.*** (This is after the removal of all references to the Rental Ordinance.)

- Mr. Remy stated that he had received correspondence from the solicitor for the Tax Collection Committee. They wanted to know when they can expect payment which is approximately \$1,600. Mr. Remy wanted to know Councils decision.

***On a motion by Mr. Moore and seconded by Mr. Felmlee Council unanimously agreed to submit payment to the Tax Collection Committee.***

**I. Borough Manager/Secretary**

1. Mr. Welham reported that he had put in for the Marcellus Legacy Grant through the County and it was approved. It was for \$ 3,900 and it will be used to put a new roof on the three pavilions at Rec Park and to add an ADA compliant access ramp at the swimming pool.
2. Mr. Welham got a letter from the Lumina Center requesting that Council keep the fees for Rainbow Summer Participants at \$1.00 per child. They will be having Rainbow Summer Camp from Jun 22-23 and the Rainbow Summer Fun in the Sun Activity Swim July 5<sup>th</sup> through August 11. Some discussion was brought up about the situations where a Rainbow Summer participant shut the pool down for an entire day, another incident where the pool was shut down for a period of time and then there was a third incident. Some discussion was held on how the Rainbow Summer kids have caused problems at the pool and then they are given a reduced rate yet too. Mr. (Matt) Webb mentioned the Rec Board would like to look into some possible ways to manage the situation. ***This was put on hold till next month.***
3. Mr. Welham stated that the Pennsylvania Small Waters and Sewer Grant he had put in for had \$170 million in requests and only \$22 million to give out. The Borough did not receive the grant funds
4. Mr. Welham stated that the bills for the inactive EDU's are going out today. He mentioned that if they Council) have constituents coming to them, remember that the Borough has to pay an EDU charge whether the property is active or not.
5. Mr. Welham reported that the Facebook page is up and running. He mentioned that it has been extremely successful so far with 8,200 hits on the Street Sweeper post.
6. Mr. Welham stated that the well down at Rec Park pool is in place and up and running. The water bill for last year was \$6,600. The cost for the well was \$4,200. The savings will be immediate with the filling of the swimming pool.
7. Mr. Welham stated he received a letter from Pa Osteopathic Medical Association asking Council if they could declare the week of April 16-22, 2017 as National Osteopathic Medicine Week here in Lewistown.

***On a motion by Larry Searer and seconded by Mr. Moore, Council by unanimous vote proclaimed April 16-22, 2017 as National Osteopathic Medicine Week in Lewistown by resolution.***

- Mr. Welham mentioned that at the beginning of the year PSAB was looking for candidates for the Distinguished Service Award, which they give out during the conference in May. He stated that after working with Dianna Walter for a year he felt she was very deserving of the award so he submitted her as a candidate. Mr. Welham stated that he received a letter today stating that Dianna would be awarded the Distinguished Service Award.

**UNFINISHED BUSINESS**

- Mr. Berrier mentioned they have the Cost and Fee Schedule Addendum Resolution to clean up a couple of costs and fees that were incorrect. The changes are as follows: Police Reports \$15, Pavilion Rentals \$20, Temporary dumpster monthly charges of 2 Yard \$65, 3 Yard \$69.50 and 6 Yard \$83.00.

***On a motion by Mr. Moore and seconded by Mr. Eddinger, Council by unanimous vote, approved the adoption of Resolution 2017-13 authorizing the changes in the Cost and Fee Schedule***

**NEW BUSINESS**

**A. Russ Rager Finance Committee Chairman**

- Mr. Rager stated that as a formality, they are looking for approval for Mifflin County Planning Department to administer the CDBG allocations. Last year they had a formal agreement with them to handle the 2015 CDBG allocations at a cost 15% of the total CDBG allocation. It is time to renew the agreement, and there isn't a choice since it is mandated by DCED. The agreement will remain the same as last year. Mr. Welham stated the rate is reasonable and the agreement is ready to go. It amounts to about \$16,000. This motion is to advertise the ordinance.

***On a motion by Mr. Moore and seconded by Mr. Felmlee, Council by unanimous vote to advertise the ordinance to have Mifflin County Planning Department administer the CDBG allocations for 2016.***

2. Mr. Rager reported that the bids for the vehicles and equipment were opened on April 6, 2016. For the computers and filing cabinets there were no bids.  
For the 2005 Ford Explorer the bids ranged from \$375 – \$668.  
Winning bid was Youseff Dabbagh at \$668.  
For the 2005 Ford Crown Vic Police Interceptor there was 2 bids at \$352 and \$700.  
Winning bid was Paul Bollinger at \$700  
For the 2011 Dodge Charger there were 3 bids ranging from \$1,030 to \$1,668.  
Winning bid was Youseff Dabbagh at \$1,668.  
For the 1992 International Recycling Truck there was one bid at \$1,510.  
Winning bid was Harry Stong at \$1,510.  
Mr. Rager stated that Finance Committee is recommending that Council accept all 4 bids.

***On a motion by Larry Searer and seconded by Mr. Moore, Council by unanimous vote to accept the highest bids recorded for the vehicles.***

3. Mr. Rager stated that they are looking for approval for the \$1.5 Million Dollar Multi-Model Grant for the Kish Street Project, that includes a safe route to school, a traffic light at the intersection of Green Avenue and Kish Street, improvement access up to the Dorcas Street Bridge, and improvements to the road beside the cemetery. In order to qualify for the grant they are trying to get a match from Geisinger, the Mifflin County School District, The County, Blossom Hill, Derry Township, and Ohesson Manor. The Borough's part of the match is approximately \$150,000. Mr. Welham stated that about \$230,000 had been previously allocated from the CDBG money toward Kish Street. What is being asked is to take the \$230,000 of CDBG allocations out of Kish Street and put in \$50,000 for the next 3 years from State Liquid Fuels allocation which can be used as a match since it is state funds versus Federal. Mr. Moore asked if anyone has committed. Mr. Welham stated they have met with Geisinger, the Mifflin County School District and the County Commissioners and they haven't had anyone give an outright no. He stated that most of them realize it is a problem and something has to be done. He mentioned that some realize they have more at stake than others.

***On a motion by Mr. Moore and seconded by Mr. Felmlee, Council by unanimous vote approved using State Liquid Fuels for the next three years at \$50,000 each as a match for the Kish Street project.***

**B. Larry Searer-Streets Chairman**

1. Larry Searer stated there is a request to remove a Handicapped Parking Space at 140 Pannebaker Avenue with Res. 2017-11.

***On a motion by Larry Searer and seconded by Mr. Moore, Council by unanimous vote approved removing the Handicapped Parking Space at 140 Pannebaker Avenue.***

Larry Searer then stated they had held off a vote to eliminate the dress code until this meeting. Mr. Berrier stated that the solicitor is there and now they can proceed. Mr. Berrier felt the dress code was put in order to hold this Borough out on a professional basis to our constituents and to the people that come visit here. He stated that if it was Mr. Searer wishes we shall vote on it. Larry Searer said that the Solicitor said it was unenforceable anyway so why have one.

***On a motion by Larry Searer and seconded by Mr. Eddinger to rescind the dress code ordinance, Council votes 3-4 vote(Moore, Rager, Felmlee, Berrier) to not rescind the prior resolution on the dress code.***

**Roll call**

Mayor Bargo addressed the Council on how the Juniata Mifflin Boroughs Association holds an annual dinner meeting to vote on a President, Secretary, and a Representative to the Board of Directors at Pennsylvania State Association of Boroughs. This year's dinner meeting was scheduled for the 12<sup>th</sup> which presented a scheduling conflict and won't be held due to lack of participants from specific areas. Mayor Bargo called the Director and he said it would be ok to be done by proxy, so every borough will receive the proxy to vote on at their council meetings. The proxy will list a slate of officers that currently hold the offices. Mayor Bargo happens to be the President and the Representative for the Board of Directors. Mr. Berrier asked what the qualifications are to be officers. Mayor Bargo said you have to be a resident of one of the Boroughs. Mr. Felmlee stated that as Mayor she is qualified to run as President and Representative to the Board of Directors.

Mr. Berrier went over the proxy officers with Mayor Bargo as President and the Representative for the Board of Directors at PSAB and Polly Digon from Juniata County as Secretary/Treasurer.

***On a motion by Mr. Moore and seconded by Mr. Rager, Council unanimously voted to retain the current officers at the Juniata Mifflin Borough Association.***
