PennDOT Announces Roadway Improvements on Route 522 in Mifflin County beginning in March

Clearfield, PA – The Pennsylvania Department of Transportation (PennDOT) has announced roadwork will begin on approximately five miles of Route 522 in Lewistown Borough and Derry and Decatur townships in Mifflin County on March 18, 2024. This work will improve deficiencies in the drainage throughout this corridor and improve the ride quality of the roadway and multiple structures within the project limits.

Single lane closures with flaggers will be utilized for the work. Long term signage will notify the public when entering the project limits. Workers will be in the roadway and motorists are advised to be alert for sudden stops. Motorists are asked to use caution in the area and be prepared for traffic delays.

This project involves roadway reconstruction, paving, drainage improvements, installation of guiderail, placement of pavement markings, bridge preservation work, and related tasks. Grannas Bros. Stone & Asphalt Co., Inc. is the contractor on this project, which has an estimated cost of \$6.2 million project.

Project completion is estimated for late October 2024. All work and scheduling is weather dependent.

PennDOT reminds drivers to use caution and not to follow trucks into the closed lane as they deliver material.

Motorists can check conditions on major roadways by visiting www.511PA.com. 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information, and access to more than 1,000 traffic cameras.

511PA is also available through a smartphone application for iPhone and Android devices, by calling 5-1-1, or by [following local alerts on X](#).
