PennDOT Mifflin County Maintenance Work Schedule for the Week of April 22

Clearfield, PA – The Pennsylvania Department of Transportation (PennDOT) announced the following schedule of maintenance activities in Mifflin County the week of April 15. PennDOT performs year-round maintenance in its mission to provide a safe, efficient transportation system, and the scope of work in Mifflin County for the coming week is as follows:

Crack Seal & Hot Pour Mastic

- Route 1005 (Market Street/Valley Street/Slogan Blvd./Main Street Mann's Narrows Run) in Burnham and Lewistown boroughs and Brown and Derry townships. Monday, April 22, through Wednesday, April 24. Flaggers in the roadway will provide traffic control.
- Route 3023 (Ort Valley Road) in Derry Township, between Route 1005 (Valley Street/Electric Avenue) and the Route 22 West/522 South interchange. Thursday, April 25, and Friday April 26. Flaggers in the roadway will provide traffic control.

Crack sealing and hot pour mastic operations prevent water intrusion from seeping through cracks or joints in an asphalt road, which can lead to potholes and pavement breakup. They are proactive preventive maintenance strategies to prevent water from entering the roadways and accelerating the formation of potholes and other failures.

Pipe Replacing & Cleaning

- Route 2002 (Vira Road/Belltown Road/Old Stage Road) in Decatur Township from Burnham Borough to the area of Loht Road and the West Beaver Township line. Monday, April 22, through Friday, April 26. Flaggers in the roadway will provide traffic control.

Pipe replacement and cleaning are essential in maintaining water flow around state roadways. Controlling water flow is one of the most important aspects of maintaining pavements. Uncontrolled water flow will damage both the pavement surface and the area under the pavement, which causes deterioration across the length of the pipe.

This schedule is subject to change due to weather conditions, emergencies, or other unforeseen interruptions.

Customers can report road concerns by calling 1-800-FIX-ROAD. If calling after hours, please leave a name and phone number.
