RE: Public Service Announcement

2024 FALL LEAF COLLECTION

The Borough will begin fall leaf collection services on Monday November 4th, 2024 and will continue until Monday December 2nd, 2024. After this date, residents may bring their leaves to the Borough Warehouse facility located at 249 Washington Avenue at no charge from 6:00 A.M. to 1:45 P.M.

Collection will be performed Monday through Friday on the next working day following your refuse collection day. **(Example:** If your refuse is picked up on Wednesday, your leaves will be collected on Thursday. Friday refuse customers will have their leaves collected on Monday).

Residents who need to dispose of leaves should place them at the curb in any plastic trash bag prior to 6:00 AM on the pickup day. Borough refuse tags are not required for leaf collection.

(Leaves are NOT permitted to be raked loose into the street.) Residents are reminded NOT to mix refuse, grass clippings, yard waste or any other materials with the leaves or they will be rejected.

Anyone having questions or requiring additional information may call the Borough Refuse office at 248-1331 between 8:30 a.m. and 4:30 p.m.

Benjamin A. Rager

Director of Public Works
